the Amount asked for is pretty large and it is a matter for consideration if it is not desirable to obtain a letter of authority from the Maharajah himself.

As regards interest the rate at which first is paying interest on Stock loan bonds ~~xxxxxxxxx~~ is 5% & 5½%. It is for consideration why 6% should not be charged on this loan.

The M.C. says that there is not sufficient balance at the Credit of the G. M. Fund and if the loan has to be issued from this fund loan bonds to the extent necessary will have to be sold. This does not seem desirable.

As regards the disposal of the Amount to the Credit of the Chakram Savings fund kind reference is invited to F.D. of 13-11-26. (Flag M).

SIR,

With reference to your letter No.Fin.11 C 1 3 dated 26th June 1933 re the loan applied for by the Sri Gavarai Math, I have the hon ur to state that the chief agent of the Math since saw me and explained the matters in detail. In modification of the arrangements proposed in the penultimate para of his petition dated 30th May 1933 for the repayment of the loan he is agreeable to the with-holding of a sum of Rs.336/- a month during the first twelve months and undertakes to pay up the entire balance at the commencement of the second year with interest. As the loan is thus for only a short period and as the buildings need urgent renovation are in close proximity to the Palace and the road leading to the race course etc., I beg to recommend that a loan of Rs.8000/- may be ordered to be lent from the closing balance of the Chattram Savings Fund, subject to repayment as noted above with interest at 5%. There is not sufficient balance at the credit of the General Muzrai Fund and if the loan has to be sanctioned from this fund, loan bonds for the amount will have to be sold as in the case of the Sri Ayyangowda Tank Hallatha.
